

Bespoke "Brochure-ware" Web Site Design

Our brochure type website (brochure ware) includes the following features:

- A fact finding consultation to assess your requirements and offer guidance on a suitable solution specifically for you
- Upto 5 page bespoke web site design
- Basic Meta tagging for Search Engine Optimisation
- 3 x POP3 Email account set up With all of our "brochure-ware" packages we offer FREE commercial website hosting for 1 Year.

Ideally the customer will supply all images to us in a digital format, but if this is not possible we can help. Managed Updates

If you are too busy, or not confident enough to manage any updates on your website, we can provide you with an update service. Contact us for a personal quotation, please [click here](#). Or to see some examples from our portfolio please [click here](#).
